Product description

GripGrab Thermal Winter Kids' Balaclava – Black, One Size

The GripGrab Thermal Winter is a children's balaclava for cycling, running and other cold-weather activities. Soft fleece and microfleece cover the head, neck and part of the face, providing thermal insulation and a comfortable feel against the skin.

The design fits beneath a helmet, and repositioning the fabric allows you to adjust the face coverage. Its breathable construction supports comfort during exercise. The balaclava has no windproof layer. The one-size fit is intended for children; check the fit before use.
