Product description

Vittoria Mezcal XC Trail TLR 4C Graphene 2.0 Folding Tyre | 29 × 2.40"

The Vittoria Mezcal XC Trail is a versatile MTB tyre designed for cross-country and down-country riding, combining low rolling resistance with excellent grip and durability. Its tightly packed, low-profile tread delivers fast rolling performance on hardpack and mixed terrain, making it an excellent choice for XC racing, marathon events and long-distance trail rides.

The continuous centre tread ensures efficient acceleration and smooth rolling, while siped centre knobs improve climbing traction and braking performance. Directional shoulder sipes provide predictable cornering and confident handling, even on loose or slippery surfaces.

The 4C Graphene 2.0 compound uses four strategically placed rubber compounds to optimise rolling speed, grip, wear resistance and wet-weather performance.

The XC Trail casing features a durable 60 TPI nylon construction with reinforced sidewalls and an integrated puncture protection layer. The tyre is Tubeless Ready and approved for use on e-bikes.

Brand: Vittoria
Model: Mezcal XC Trail TLR 4C Graphene 2.0
Application: MTB, cross-country, down-country and trail riding
Recommended terrain: dry and mixed terrain
Tyre type: folding tyre
System: Tubeless Ready (TLR)
Size: 29 × 2.40"
ETRTO: 60-622
Compound: 4C Graphene 2.0
Casing: 60 TPI nylon
Puncture protection: reinforced XC Trail casing with puncture protection layer
E-bike Ready: yes
Colour: black
Weight: 920 g

Scope of delivery:

- 1 × Vittoria Mezcal XC Trail TLR 4C Graphene 2.0 folding tyre 29 × 2.40"
