Product description

Kärcher Battery Power 18/50

Kärcher Battery Power 18/50
18 V / 5.0 Ah battery with innovative Real Time Technology, including an LCD display to show exactly how much battery life is left. Suitable for use in all devices using the Kärcher 18 V battery power platform. Charger not included.

Innovative battery technology for maximum efficiency
The 18 V / 5.0 Ah battery with Real Time Technology is suitable for all devices on the Kärcher 18 V battery platform. The integrated LCD display shows the remaining run time, charging time, and charge level in real time. Splash- and shock-resistant design makes it ideal for outdoor use, and intelligent cell monitoring protects the battery from overheating.
