Product description

Fox is a respected brand specializing in the production of high-quality suspensions and accessories for bicycles and motorcycles. Since its inception, the company has become synonymous with technical excellence and innovation in the field of extreme sports. Fox products, including mountain bike forks, rear suspension shocks, as well as clothing and protectors, are highly regarded by amateurs and professionals alike. With a constant commitment to excellence, Fox is a reliable partner for anyone who values comfort, control and safety when riding in rough terrain.

The FOX Float 29 Performance SC Series 32 100mm Boost is the perfect solution for cyclists who value lightness, responsiveness and precision. Designed with performance and versatility in mind, this fork meets the needs of both cross-country fans and discerning mountain trail enthusiasts.

Main Features:

- Stroke: 100 mm
- Wheel size: 29"
- System: Air
- Steering tube length: Tapered, 1.5" to 1 1/8"
- Axle: Boost 15x110 mm
- Damping: Performance Series GRIP
- Adjustments: Rebound, air pressure spring hardness
- Steering tube material: Aluminum
- Crown material: Aluminum
- Foot material: Aluminum (black anodized)
- Color: Matte black
- Offset: 52mm
- Pitch lock works with (PTL) system - PUSH TO LOCK

Features:

FOX Float 29 Performance SC Series 32 100mm Boost offers the perfect balance of lightness and stiffness, so riders can enjoy fast and precise maneuvers on the trail. The Performance Series GRIP damping system guarantees effective control and shock absorption, regardless of the terrain.

Thanks to the Float's air spring, this fork offers responsiveness to small bumps while maintaining stability on rougher terrain. A 15x110mm Boost axle further increases stiffness and steering precision, resulting in a confident rider during fast descents and dynamic turns.

Ideal for:

- Cross-country
- Mountain marathons
- Time trial races
- Cyclists looking for a lightweight and efficient fork for mountain adventures

Weight approx: 1505g
OEM packaging
No cuff included - purchase separately
