Product description

ABUS GameChanger is the ultimate helmet for professional riders.

Together with Multi Position Design technology, it redefines aerodynamics. Airflow is optimized for all head angles during racing. Large air channels combined with Forced Air Cooling technology ensure that the head stays at a comfortable temperature and the helmet fits perfectly. The new Multi Shell In Mold system is responsible for ABUS' superior safety. GameChanger sets new standards in Aero helmet technology!

Features

Multi Position Design: For optimal aerodynamics, regardless of head angle

Forced Air Cooling Technology: Intelligent ventilation system for optimal head temperature

FlowStraps: Aerodynamic, flutter-free and skin-friendly thanks to a specially developed weave

Zoom Ace: Precision adjustment system with handy knob for a customized fit

AirPort: aerodynamic eyewear holder on the back with temple channels

Multi Shell In Mold: for safe impact absorption

ABUS stands for safety when cycling - the traditional German brand's locks protect bikes from theft, and the helmets from the company founded in 1924 protect riders' heads. ABUS' commitment to cycling is also evidenced by their involvement as a sponsor: GameChanger adorns the heads of the Movistar team. They are also the ones who provide valuable feedback to helmet specialists to further develop and test these helmets at the highest level.
