### Product description

The transparent MonTrailer visor provides an excellent view in all directions without taking your eyes off the trail. This MTB helmet is lightweight, highly ventilated and extremely comfortable.

As demands on the trails increase, so do equipment and safety requirements. The MonTrailer provides added stability with its ActiCage design, in which structural reinforcement is integrated into the EPS.

#### MonTrailer Features

In-Mold technology provides a durable bond between the outer shell and shock-absorbing helmet material (EPS)

Pony Compatibility: Helmet good for people with long hair

Good ventilation thanks to 5 air inlets and 7 outlets, connected by deep airflow channels

Semi-circular plastic ring connected to the adjustment system

Lower edge protection provides the helmet with additional protection against external influences

ActiCage: Structural reinforcement integrated with EPS to optimize stability

Zoom Ace: precision adjustment system with handy dial for a personalized fit

GoggFit: provides secure positioning of goggles and allows storage when not in use

Weight: approx. 370 g (size L)
