### Product description

#### Abus Pedelec 2.0 - City Helmet

Pedelec 2.0 is an uncompromising combination of protection and comfort, suitable for use with S-pedelecs and e-bikes. Supplemented with clever features, it is an ideal companion in traffic. In city traffic, the helmet is an indispensable companion. Accidents happen quickly, and if you fall, a bicycle helmet will protect you from serious injury. With the Pedelec 2.0, ABUS offers a bicycle helmet that meets the high safety requirements of the big city. Its deep temple area provides the required extra protection. The Pedelec 2.0 also features an integrated rain hood that can be quickly pulled over the helmet at the first sign of rain. An ultra-bright charged light and replaceable visor provide additional passive protection.

Compliant with the NTA 8776 standard, the helmet is suitable for use with S-pedelec and e-bikes and provides protection at higher speeds.
