Product description

StormChaser with its features fits any race: from road races, cross-country to serious competitions. It is lightweight, extremely comfortable and perfectly ventilated.

Features

In-Mold: lightweight and stable helmet thanks to the durable combination of EPS and PC shell

Ponytail Compatibility: helmet suitable for those wearing pigtailed

Half Ring: semi-enclosed plastic ring connected to the adjustment system

Bottom Edge Protection: further protects the helmet from external influences

Ventilation: for this type of helmet, optimal ventilation through 7 air inlets and 16 air outlets

Forced air cooling technology: Advanced ventilation system for optimum head climate

High visibility: Good visibility through bright reflectors

Zoom Ace: Precisely adjustable adjustment system with handy dial for a customized fit

AirPort: Aerodynamic goggle mount with temple guide

Weight: approx. 200 grams
