Product description

Magura MDP 13 – Silver Disc Brake Pads

Description: Magura MDP 13 brake pads are versatile all-round pads designed to provide an optimal balance of powerful braking, stability, durability and quiet operation. Approximately 40% more friction material contributes to improved performance and service life, while the MagneticXChange system makes positioning and handling the pads easier. Optimised braking characteristics provide predictable and controlled performance in a wide range of conditions.
Key features:
Braking performance: powerful and consistent
Friction material volume: approximately 40% more
MagneticXChange: system designed for easier pad installation and positioning
Braking characteristics: optimised for control and stability
Noise level: quiet braking performance
Durability: high resistance to wear
Brake type: disc brake
Compatibility: Magura GUSTAV, CLARA
Caliper compatibility: 4-piston
Brake pad: MDP 13 SILVER
ECE mark: No
Colour: Silver
Weight: 46 g
Scope of delivery:
4 individual brake pads
2 pad retaining screws
Please note: The manufacturer recommends using original MAGURA brake pads, MAGURA rotors and MAGURA Royal Blood brake fluid. Warranty coverage is only ensured when original MAGURA parts and accessories are used.
