### Product description

Bike Hand rudder wrench YC-659-40A, 40 x 275 mm, hardened

Threaded rudder wrench from the renowned Bike Hand brand.

It was made of durable chromium-molybdenum-doped steel (Cr-Mo).

The handle is covered with rubber for better grip.

The flat design and long handle make it easy to reach the rudders.

Clearly embossed numbers with the size of the wrench.

Hole for hanging the wrench.

Manufacturer: Bike Hand

Model: YC-659-40A

Size: 40 mm

Weight: ~290 g
