Product description

Unior has entered the 21st century, meeting many demanding quality and environmental management standards. The company already co-owned a steel factory in Štore and entered the American, Australian Chinese markets with its own companies. Unior is a global hand tool brand. Unior's hand tool program produces more than 10 million tools and housings per year.

Unior UNR-1613/2BI pedal wrench:

- Material: chrome vanadium steel
- Size: 2x 15mm
- Rubber covered handle
- Ergonomic durable two-component handle
- Designed for pedal cones
- Sufficiently long handle allows you to apply the right amount of force to unscrew even the tightest pedals
