Product description

SRAM is an American brand specializing in the production of bicycle accessories. The company was founded in 1987 and has since become one of the world's leading manufacturers of bicycle components. SRAM produces a wide range of products that are available for riders of all levels. The brand is known for its innovative technological solutions, such as wireless shifting systems, as well as its high-quality products for professional cyclists and bicycle enthusiasts. The brand is known for its high-quality products, which are recognized and trusted by cyclists around the world.

SRAM Red BB30 11speed YAW crank:

- **Manufacturer:** SRAM
- **Number of gears:** 11
- **Sprocket size:** 50/34
- **Crank arm length:** 170 mm
- **Chainline:** 45.5 mm
- **Sprocket material:** Aluminum/Aluminum
- **Crank arm material:** Carbon fiber
- **Color (crank arms):** Natural carbon fiber
- **Designed for drivetrains:** 2x11

SRAM 's iconic **RED crankset** is now in a new design, blending perfectly with our fresh **SRAM RED eTap** components. The unique design of this connecting rod extends all the way to the spider. The hidden bolt attachment significantly improves the use of carbon strength, resulting in higher stiffness and lighter weight. This connecting rod guarantees incredible smoothness, reliability and full compatibility with **Yaw** technology.

- For smooth, flawless performance and compatibility with **Yaw™** technology, pair this connecting rod with **X-Glide™** chains.
- The lightweight aluminum alloy gears are durable, and the special **X-Glide** profiling allows for quiet and smooth operation, combined with **Yaw** to offer lightning-fast shifting and no derailleur trimming required
