Product description

ODI's new Flight Control series includes a full range of handlebars and brackets that improve bike control and enhance the riding experience.

- PRODUCT FEATURES:
- Our exclusive bar clamping system keeps the bars in place by tightening the top two bolts before tightening the bottom two bolts. This creates a truer fastening surface and helps prevent stress. Visual alignment marks on the brackets allow you to match your Flight Control handlebars for easy installation every time. Works with 31.8mm handlebars.
- Precision machined two-tone graphics
Constructed of 60601 aluminum, lightweight with reinforcement where it matters most
- Available in black
- 3 sizes available:
- Length = 50mm, Height = 0 degrees, 192g
