Product description

The Shimano **DXR PD MX70** are **SPD-compatible** double-sided **platform ped** als that provide excellent grip for extreme riding. The pedals work perfectly with other components of the **DXR** series and impress with Shimano's well-known quality. The MX70 pedals have been ergonomically optimized and designed to ensure a long service life.

Product features:

- Better foot hold for powerful pedaling during BMX races
- Wide contact area between pedal and shoe for good support and grip
- Lower platform height for pedaling stability
- Integrated platform improves unbuckled control and protects the binding mechanism
- Adjustable clip-in and clip-out tension settings

Specifications:

- Color: Black
- Sales code: PD-MX70
- Bike discipline: MTB
- Block type: Off-Road (SPD).
- Binding type: Dual Sided
