Price	<b>1 087.72 €</b>
Availability	 <b>Unavailable</b>
Number	<b>91001399</b>
EAN	<b>1016488087425</b>

### Product description

A popular dirt bike built on the iconic Two6Player frame. The Evo version is valued for its great value for money, so the specs include a Manitou Circus Expert fork, microdrive with BMX crank and driver hub, Shimano hydraulic brake and Kenda K-Rad tires. For a better fit for the rider's height and preferred riding style, the Player is available in two front triangle lengths.
