Product description

PROLOGO AKERO T2.0 150 SADDLE BLACK

Combining cushioning and anatomical shapes to improve performance, the PROLOGO AKERO T2.0 bicycle saddle is a premium product. Thanks to its innovative V-shaped design, there is better weight distribution. Its main feature is the ACTIVE BASE SYSTEM: a hollow shell that allows you to take advantage of all the benefits of the crotch channel, greater blood flow and air cooling, while offering protection from water and mud in critical weather conditions.
