Token BB841PR black slide

Price	33.40 €
Availability	 Availability 2-5 days (external warehouse)
Number	50009125
Producer code	DBB841PR-BKTK
EAN	4712089674022

Product description

Suport BB841PR is designed for SRAM GXP cranks (24 - 22 mm)

Suport BB841PR is a very solid part of our bike. The shell is made of a combination of fiber and plastic. As a result, the bottom bracket fits precisely to the frame and eliminates squeaking. It also provides a stable platform for the bearings giving them a longer life.
