Product description

Shimano RT-EM600 180mm Center Lock brake disc

Features

- CENTER LOCK disc brake system
- Narrow type brake disc rotor
- Recommended brake kit: M6000/MT520/MT420

Product Description

SHIMANO RT-EM600 brake discs for speed sensor systems provide even and powerful braking power when riding on tough mountain trails. Reliable and durable ICE TECHNOLOGIES discs significantly reduce heat build-up in the brake system, ensuring even braking even on long descents. SHIMANO's CENTER LOCK mounting system allows efficient disc installation and removal with a spline and special locking ring design.

Specifications
