Product description

The **Elite Square Smart Frame Tablet Holder** is a practical and sturdy accessory designed specifically for ELITE's latest smart trainer frame. It mounts directly to the handlebars and, thanks to its thoughtful design and high load capacity (3 kg), it can securely hold larger and heavier smartphones and tablets.

Its stable construction ensures a secure fit and a comfortable viewing angle, making it easy to track your training data while riding. The holder accommodates a wide range of phone and tablet sizes – flexible straps provide a firm grip, and the contoured base keeps devices from slipping.

Additionally, the holder features built-in cable management holes, keeping wires neat and organized.

Specifications:

- **Brand:** ELITE
- **Compatibility:** Elite Square Smart Frame
- **Load Capacity:** 3 kg
- **Dimensions:** 380 x 96 x 87 mm
