Vittoria Universal Tubeless Tire Sealer - Innovative Protection for All Cyclists.

The revolutionary formula of Vittoria Universal Tubeless Tire Sealer is the answer to the diverse needs of cyclists, regardless of the type of bike they ride. Its uniqueness lies in its thin liquid base, which is fluid enough to instantly and effectively detect and seal even the smallest punctures. In addition, this unique base contains plates that fuse together to create reliable protection against major tire damage. This provides the user with protection against various sizes of punctures, regardless of the type of bike they ride.

The test results of **Vittoria** 's Universal Tubeless Tire Sealer speak for themselves - the product seals punctures up to 7 mm in diameter virtually instantly, providing excellent air retention for up to 1,200 kilometers. The ammonia-free formula eliminates the risk of the sealant damaging the tire, making it an ideal choice for use with other tire accessories such as **Vittoria Air-Liner**.

With **Vittoria** Universal Tubeless Tire Sealer, your cycling experience becomes even safer and more comfortable. Whether

you prefer road, mountain or gravel bikes, this product is a guarantee of optimal protection for your tires and smooth rides.

- **Effective Liquid Base**: The ultra-thin liquid base is fluid enough to instantly detect and seal even the tiniest punctures, ensuring a continuous ride.
- **Safe Ammonia-Free Formula**: The formula is ammonia-free, which eliminates the risk of the sealant damaging the tire, making it safe to use and compatible with other tire accessories such as **Vittoria Air-Liner**.
- **Universal Use**: No matter what type of bike you ride, this product is the perfect solution to take care of your tires and give you a smooth and safe ride.
- **Innovative Formula**: The revolutionary formula of this product is designed to meet the diverse needs of cyclists, regardless of the type of bike they ride.
