Price	37.70 €
Previous price	50.35 €
Availability	 Available (shipping in 2-5 days)
Number	10040478
Producer code	0051091
EAN	4003318592140

Product description

- good protection in areas with low risk of theft
- Recommended for securing inexpensive bicycles

Technical data:

- level: 4
- weight: 718 g
- thickness: 12 mm
- length: 185 cm
- attachment: TexKF Mini

Technology:

- high-end, highly flexible 12mm steel spiral
- PVC cover protects the bike's paint
- cipher with code for individual setting
- Press'n Shine function - dials with digits illuminated by LEDs - convenience for night operation

Transportation:

- TexKF Mini - holder with textile tape also recommended for other than round frames with a diameter of 21-80 mm
- KF - holder for quick attachment of the spiral to the seatpost clamp

Tips:

- spiral cables are very handy to carry while being of considerable length making it easy to secure the bike
- combination fasteners work well when the bicycle is used by a larger number of people
