Product description

NEW GENERATION DEORE XT M8100

Shimano SM-CRM85 Direct Mount sprocket

SHIMANO DEORE XT is the original mountain bike accessory group trusted by generations of mountain bikers around the world. No matter the trail or bike, XT accessories are the solution you want to use today when mountain biking. Reliable derailleurs. Excellent brakes. Intuitive maintenance. XT is the quality accessory you can count on.

The disc teeth are alternately narrow and wide. Dynamic Chain Engagement+, as the design is called, provides excellent chain hold while the drivetrain runs smoothly and quietly. The disc attaches directly to the arm simply and quickly, using one centrally located nut, and can have 28, 30, 32, 34 or 36 teeth
