Product description

Description:
The Lezyne RAP II is a professional-grade compact multitool designed for demanding cyclists. CNC-machined aluminum side plates provide strength and durability while keeping weight low. Its ergonomic design ensures comfortable use both on the trail and on the road.

Extended hardened steel bits improve access to hard-to-reach bolts. The Black Anti-Corrosion Technology coating enhances corrosion resistance and extends tool life. A magnetic chain-link holder allows secure storage of a spare quick link during rides.

Designed and manufactured in-house, the RAP II focuses on durability, functionality, and reliability in all riding conditions.

Specifications:

- Weight: 82.6 g
- Dimensions: 81.3 × 26.2 × 19.6 mm
- Side plates: CNC-machined aluminum
