Product description

Radon chain care kit 3 x 150ml

RADON chain spray is a highly durable and wear-reducing chain care product. It applies well, is suitable for all conditions and has good adhesion, so it does not run off even when circulating quickly. The high penetration and penetration ability in chain joints reduces the required drive energy. The low coefficient of friction also contributes to this. RADON Chain Spray forms a clear, colorless lubricating film and protects against corrosion.

RADON Chain Cleaner is ideal for thoroughly cleaning bicycle chains, discs and sprockets. Thanks to the special spray technology, even hard-to-reach areas can be easily cleaned. The micro-active, residue-free, fast-evaporating chain cleaner removes oil, grease, dust and dirt - and does not damage seals/O-rings. RADON Multi Purpose Spray reliably lubricates all moving parts that are not lubricated. It's also corrosion protection, rust remover, lubricant and cleaner in one. Displaces moisture - cleans, cares and protects in one treatment. Infiltrates grease, dirt and forms a corrosion-resistant protective layer.

Care kit 3 x 150ml composition:

- Chain spray

- Multifunctional spray

- Chain cleaner

Safety instructions

Extremely flammable aerosol. Pressurized container: heating threatens to explode. Causes skin irritation. May cause drowsiness or dizziness. Toxic to aquatic organisms with long lasting effects. Keep out of reach of children. Keep away from heat sources, hot surfaces, sparks, open flames and other sources of ignition. No smoking. Do not spray on an open flame or other source of ignition. Do not pierce or burn, even after use. IF ON SKIN: Wash with plenty of soap and water. IF INHALED: Remove person to fresh air and make breathing comfortable. Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F.

Contains: Hydrocarbons, C7, n-alkanes, isoalkanes, cyclic.
