Product description

Unior entered the 21st century, meeting many demanding quality and environmental management standards. The company already co-owned a steel factory in Štore and entered the US, Australian and Chinese markets with its own companies. Unior is a global hand tool brand. Unior's hand tool program produces more than 10 million tools and housings a year.

Unior UNR-1721 bearing assembly kit:

- Set includes 17 bearing adapters

- R6, 608
- 6000, 6001, 6802, 6803, 6804, 6805, 6900, 6901, 6902, 6903
- 1526
- 17286
- BB68/92, BB30

- One of the handles has a quick release system
- All tools are placed on an SOS insert inserted into a plastic box
- The Unior 1721 bearing press set allows you to install bearings in most known frames and components.

Check out how you can use the tool in the **UNIOR** product review video :
